It's the end of the week for many of us,
so Saturday—named for the god
Saturn—is a good time to wrap things
up. Associated with the colors black and
dark purple, and the metal lead, this day
is also connected to the goddess
Hecate. Gemstones like Apache tear,
obsidian, and hematite are all connected
to Saturday's magic, as are plants such
as thyme, mullein, and the cypress tree.
