To establish and define your team's purpose, you need to identify four key components. These components come together to engage and inspire your team so that they can challenge themselves and achieve their goals by finding their purpose. 1.

Simple Steps for Developing a Shared Purpose for Your Team ...

What Does a Team Purpose Look Like? Like many parts of leadership, this is not rocket science. It is not meant to be a detailed, exhaustive list of roles and responsibilities. The team purpose simply acts as a guiding vision for your team. What to Include in Your Team Purpose. Your team purpose should have three different parts. First, you want to include a functional statement about what your team does. As an example, for a team that provides administrative support for an office, it might be:
