Beyond the Big Ditch. Book Description: In this innovative book, Ashley Carse traces the water that flows into and out from the Panama Canal to explain how global shipping is entangled with Panama's cultural and physical landscapes. By following container ships as they travel downstream along maritime routes and tracing rivers upstream across the populated watershed that feeds the canal, he explores the politics of environmental management around a waterway that links faraway ports and ...

Are you 21 years of age or older? YES; NO

### **Big Ditch Brewing Company**

Beyond the Big Ditch is a welcome contribution to the field of political ecology. Drawing on historical archives, ethnographic fieldwork, interviews, and a heavy dose of critical social theory, Carse shows how “moving ships” through the Panama Canal is really about “managing political ecologies” (p. 220).

### **Beyond the Big Ditch: Politics, Ecology, and ...**

Interweaving histories that range from the depopulation of the U.S. Canal Zone a century ago to road construction conflicts and water hyacinth invasions in canal waters, the book illuminates the human and nonhuman actors that have come together at the margins of the famous trade route. 2014 marks the 100th anniversary of the Panama Canal. Beyond the Big Ditch calls us to consider how infrastructures are materially embedded in place, producing environments with winners and losers.
