An acclaimed author, retired Los Angeles Police Department Sgt. Cheryl Dorsey has written an autobiography, Black and Blue, The Creation Of A Social Advocate Vol II, which provides an unfiltered look into police culture, LAPD's internal disciplinary processes, and techniques to de-escalate and diffuse tensions during police encounters as well as best practices to report police misconduct with a level of credibility that is effective, relevant and irrefutable.

Formally known as marine blue, the darkest shade of blue—also known as navy blue —was adopted as the official color for British Royal Navy uniforms, and was worn by officers and sailors from 1748. Modern navies have since darkened the color of their uniforms to almost black in an attempt to avoid fading.
