1) Persian: A Comprehensive Grammar - Saeed.. | Non ...

"Chinese: A Comprehensive Grammar" by Yip Po-Ching and Don Rimmington, Routledge press, 2004. This is a 300 plus page reference book, but very readable, with at least 1-3 examples for all grammar issues. I was never able to find the books in China. Last year Amazon promised to offer it digitally, but that seems to have been vapor-marketing.
