## **Comparative Federalism and Intergovernmental Agreements ...**

An extremely important, yet understudied form of shared-rule is the intergovernmental agreement (IGA), which lies at the heart of this ambitious comparative study by Jeffrey Parker. Considering the historical proliferation and omnipresence of IGAs in almost every federation, the lack of comparative research on this issue is astonishing indeed.

## **"Comparative Federalism and Intergovernmental Agreements ...**

"Intergovernmental agreements are an important instrument in federal systems, establishing new social programs, regulating agricultural practices, and even changing constitutions. Despite their importance, there have only been limited attempts to understand agreements in a comparative context or to provide a theoretical framework for their study.

## **Comparative federalism and intergovernmental agreements ...**

At an international symposium in 1993 on the future of Europe, Thomas C. Fischer opened his report on comparative federalism with a reference to his favorite cartoon about the EC: a hydra monster with twelve heads, each biting the other.

## **The Framework Revisited: Constitutional, Federal and ...**

Cooperative federalism is a model of intergovernmental relations that recognizes the overlapping functions of the national and state governments. This model can be contrasted with the model of dual federalism, which maintains that the national and state governments have distinct and separate government functions.

## **Cooperative Federalism - Federalism in America**

This article discusses comparative federalism. It first considers the changing global environment that favors federalism, and then discusses more familiar structures of country-specific federal

### **(PDF) Comparing Intergovernmental Relations and ...**

However to date, research on intergovernmental contracts in a comparative perspective has remained quite under-developed. Therefore, the aim of the paper is threefold. First, it compares two reforms of federalism in Switzerland and Germany respectively that partly redefined the intergovernmental relations after numerous constitutional changes.

### **Reforms of Federalism and Intergovernmental Cooperation ...**

Today, the diversity of federations is as important as the emergence of new variants and instruments organizing the intergovernmental relationships (Watts, 2002). The comparative analysis of these variants and instruments helps to identify similarities and differences between types of federalism.

comparative federalism as a whole, this topic needs theoretical consideration. This chapter will explore these theoretical foundations by proposing that intergovernmental agreements should be viewed as a form of institutionalization. It will examine the explanatory power of the institutionalist perspective by canvassing the existing literature

## **An Institutional Explanation of the Formation of ...**

Similarly, students of federalism trained in the “civil law tradition” are more likely to consider “intergovernmental agreements” as formal legal sources, often with a supra-legislative status that precludes them being unilaterally repudiated by one of the parties.

## **Intergovernmental Relations in Federal Systems: Ubiquitous ...**

It is appropriate to begin by referring to intergovernmental agreements as an incident of federalism. II FEDERALISM AND THE NEED FOR COOPERATION Federal constitutions create systems of government in which governmental powers are distributed between a national government and sub-national governments.
