Conservation is our government now : the politics of ...

In Conservation is our Government Now, Paige West eloquently recounts the history of an integrated conservation and development project in the Crater Mountain region of Papua New Guinea. Her alternately poetic and densely theoretic account does far more, however, than merely chronicle the history of the project.

Conservation is our government now: the politics of ...

Complicating many of the assumptions about nature, culture, and development underlying contemporary conservation efforts, Conservation Is Our Government Now demonstrates the unique capacity of ethnography to illuminate the relationship between the global and the local, between transnational processes and individual lives. 2013-02-15
