ok from the mods you listed, a chipped ecu is the best bet for you. Basicly its a p28 ecu(has to me a stick shift 92-95 civic ex/si) or you can also get a p06 and convert it to p28(again 92-95 non ex/si civic has to be stick) now once you get the stock ECU you can send it out to get it chipped an setup for your car.
