Almost completely off-topic, but in the interests of trying to restore a Honda QR50, I'm wondering whether anyone would have a link, or be able to email me a service, parts and/or owners manual for a Honda QR50 (a bike that was not sold in the US I believe)? Back on topic, the link for the XR250 manual appears to have stopped working.

1985 Honda XR 350. One of the best dirt bikes Honda ever made. Very good condition. Completely rebuilt two years ago. Runs good, but has an oil leak at either the head or valve cover gaskets. Newer tires, brakes and seat cover. Includes a second parts bike, also a 1985 XR 350. I have a current title for the first one, no title for the parts bike.
