Inner space consciousness and who you are in your essence are one and the same. In other words, the form of little things leaves room for inner space. And it is from inner space, the unconditioned consciousness itself, that true happiness, the joy of Being, emanates. To be aware of little, quiet things, however, you need to be quiet inside.

Inner Space Consciousness | by Eckhart Tolle

It is the brain that is having the internal experience, independent of perceptual input. This internalist view of consciousness leads Revonsuo to compare both dreaming and waking consciousness with a virtual reality simulation decoupled from or only indirectly informed by a brain's external environment.
