Earlier this year, the Motown Museum opened its “Girl Groups: The Grit, The Glamour, The Glory” exhibit highlighting the female stars and women behind the spotlight who helped make the Motown Sound possible. One of Motown’s famous girl groups is The Marvelettes. All of Motown’s most popular groups had crossover success with both R&B and mainstream pop audiences, but The Marvelettes’ song, “Please Mr. Postman,” was the first Motown record to reach the number one position on ...

### Women of Motown | National Women's History Museum

Motown High is a documentary by Canadian director Barbara Hager about a group of talented Canadian high school students who develop a musical bond with their idol, Motown diva Martha Reeves, after they meet her on a school band trip to Detroit. The documentary was the opening film at the 2008 Victoria Film Festival.

Like the old movie studios, Motown ran a kind of charm school. Their Artistic Development Department, headed by a formidable woman named Maxine Powell, taught artists how to walk, handle the press ...

### Reflections on Supremes fashion and history - New York ...

John was the first solo woman signed to the label in 1959. Looking at it with modern eyes, her classic blues sound seems off for the label, but in those early days Motown looked throughout the black music spectrum for hits. Motown stopped releasing straight blues by 1962, and John was dropped from the label.

### Women of Motown You Should Know - Sisters

The second edition of Women of Motown by author Susan Whitall contains new chapters and information, updating this critically-acclaimed oral history of the ladies who made Motown a sound heard round the world. Originally published to glowing reviews in 1998, the first edition has long been out of print and sought after by collectors.
