hip-hop | Definition, History, Culture, & Facts | Britannica
Hip-hop culture has always had a complex relationship with race. From its inception, the relationship between hip-hop and race has been fragmented, decentralized, and, in many ways, fluid. Hip-hop emerged in the Bronx, New York, in the early 1970s. The economic environment that catalyzed its development reflected the negative effects of a postindustrial society and a rapidly changing economy.
