Reports | Huqoq Excavation Project

An excavation is not complete until the printed report is available to the world. Often the publication of the report takes as long as, or even much longer than, the actual work in the field. A team of archaeologists clean an excavated zone some 20 miles (30 km) south of Lima.

excavation | Description, History, & Facts | Britannica

Each year over 400 volunteers join the excavations at Vindolanda and make a direct contribution to the research on the monument. If you are over 16 and have two consecutive weeks to give to the project, you too can make history happen and become a part of the story of uncovering Vindolanda.

Preliminary Report on the Excavations at Sesebi, Northern ...

The current archaeological findings such as ("coins"), pottery, and glass, indicate that the chronology of Magdala began in the Hellenistic period and continued until the middle Roman period. According to historical sources, during the 4th century CE Saint Helena, mother of "Emperor" Constantine the Great arrived at the ruins of ancient Magdala and built a basilica over what she believed was ...
