Science Focus 1
BBC Science Focus is the BBC's science and technology monthly magazine. Jargon-free and accessible, you don't need a PhD in particle physics to enjoy reading it. All you need is a quizzical mind that wants to understand the world around you, and gain a fact or two to keep up your sleeve in a pub quiz emergency.

ACSI Science - Christianbook.com
The Focus On Series is a semester-long unit study that encourages kids to 'focus on' one subject at a time. This series is offered for an age range of either elementary, middle school, or high school.* The Focus On Series is based on a "block" teaching method, where focused learning is condensed to a shorter "block" of time. It was purposed for those parents and teachers wanting a solid introductory level science course who also want to sequence their own science program.
