(PDF) Tourism and Sustainable Community Development

As the tourist industry becomes increasingly important to communities around the world, the need to develop tourism in a sustainable manner has also become a primary concern. This impressive collection of international case studies addresses this crucial issue by asking what local communities can contribute to sustainable tourism, and what sustainability can offer these local communities in return.

TOURISM AND SUSTAINABLE DEVELOPMENT

Sustainable tourism development guidelines and management practices are applicable to all forms of tourism in all types of destinations, including mass tourism and the various niche tourism segments. Sustainability principles refer to the environmental, economic, and socio-cultural aspects of tourism development, and a suitable balance must be established between these three dimensions to guarantee its long-term sustainability.

Local communities benefit from sustainable tourism through economic development, job creation, and infrastructure development. Tourism revenues bring economic growth and prosperity to attractive tourist destinations which can raise the standard of living in destination communities.

Sustainable tourism - Wikipedia

Bookmark File PDF Tourism And Sustainable Community Development Routledge

The chapter examines the concept of empowerment and its utility for understanding tourism development at the community level. The book postulates five propositions for sustainable tourism development, which are explored in the case studies. First that empowerment is essential for community level tourism development.

Book reviews | Semantic Scholar

By redirecting the focus towards local communities, sustainable tourism help achieve national poverty reduction goals through entrepreneurship and small businesses, it can also be a powerful tool for reducing inequalities when local populations are deeply engaged, allowing rural development to flourish and giving people the chance to grow in their own habitat without having to travel to urban areas.
