Understanding Dispensationalists is an excellent, short introduction to the theology of dispensation. Poythress writes from a covenant theology background but works to see the theological questions from both sides. He does a good job of distinguishing the more classical dispensationalism with the more modified form that is largely held today.

In general, there are three main distinctives. First, dispensationalism sees God as structuring His relationship with mankind through several stages of revelation which mark off different dispensations, or stewardship arrangements. Each dispensation is a “test” of mankind to be faithful to the particular revelation given at the time.
