Peter A. Roberts gives another definition of the term in his book West Indians and Their Language. He argues that Creole languages are "the result of the contact between English, French, Spanish, Portuguese, Dutch ('languages of the colonising people') and West African languages ('languages of a colonised people')" 2.

Language and its Importance in the Caribbean - GRIN

The first permanent English colonies were founded at Saint Kitts (1624) and Barbados (1627). The English language is the third most established throughout the Caribbean; however, due to the relatively small populations of the English-speaking territories, only 14% of West Indians are English speakers. English is the official language of about 18 Caribbean territories inhabited by about 6 ...
