### What I Can Learn From

The first and most significant mental skill any human being can learn in their lives is knowing how to ask the right questions. Many people seek answers for questions they have never even asked. When we ask ourselves the right question, we cut away any chance of wasting our precious time seeking that which is not what we truly need.

But we can't just write them off, throw them on a trash pile and ignore them while also trying to grow and deepen our awareness as a society. We have to learn from each other, listen, teach, hurt, heal, cry, bond and reach. As a Jewish woman, I still flinch every time I read excerpts from that chillingly casual anti-Semitic interview.
